

River Wey Medical Practice Flu Clinics

We will be running flu clinics from the middle of September for patients who are eligible for a flu vaccine. We will be running a number of Saturday and Tuesday afternoon clinics but will have to take extra precautions due to Covid-19 and the need for social distancing.

Eligible patients will need to book a timed slot, and we will advise when these become available.

To minimise the risk of coronavirus we are asking patients attending to wear face coverings. We are putting together detailed instructions for patients to help the clinic run smoothly and safely and minimise patient's time in the practice

We will be running specific clinics for patients who are clinically, extremely vulnerable and will be contacting this group of patients over the next couple of weeks.

Vaccines will be offered initially to those patients who are at high risk of Covid complications and those aged 65 and over, who also have underlying conditions.

We will update this website with details of who is eligible for a vaccine, clinic timing and how to book into a clinic when we have finalised details.

Patients who have booked into the appointment slot but are not eligible will be notified that the appointment is cancelled by text message or declined the appointment and vaccination on the day.

Please note that we have limited vaccine supply and can only vaccinate the at risk groups as defined by the NHS. Click [here](#) for a full list of all those eligible.

Aged 50-65 years

Free flu vaccinations may also be available towards the end of the year to people aged between 50-64. We are awaiting further information from the government on how these vaccines will be sourced.

It is important to stress that this will be subject to vaccine supply and priority will be given to those in at risk groups first.

Children's Flu

The planned date for children's nasal flu is Saturday 17th October 2020

We will be holding a Children's Teddy Bear Flu Clinic and inviting children to make a mask for their favourite teddy or toy to wear.
